Welcome to the Twin Cities of Tonawanda and North Tonawanda! We are strategically located between Buffalo and Niagara Falls. We are situated along the famous Niagara River and the Erie Canal and are noted for a spectacular waterfront that provides endless possibilities and outstanding attractions for visitors—including those coming by boat.

At Gateway Harbor along the Erie Canal you can take part in endless summer events. Besides free concerts by local and nationally recognized bands, there are numerous other events that will be highlights in this brochure. We are truly a versatile and memorable gateway. The bike and walking trails are thrilling and the boating opportunities are everywhere, all of which makes the Twin Cities an outdoor recreational paradise.

If history and culture is your passion, the Herschell Carrousel Factory Museum or a visit to the Long Homestead may be attractive to you. There are also a vast array of clubs and restaurants that provide entertainment, night life and culinary delights throughout the downtown business district and numerous other locations in the Twin Cities. Whatever the case, our signature event for the summer is Canal Fest that takes place during the third week in July.

Regardless of what venue you are most interested in, the Twin Cities offers a wide range of events that will meet and exceed your expectations. We believe that the Twin Cities have built a wide array of entertainment, recreation and relaxation for anyone who cares to visit and we look forward to your stay with us. Then you can discover why the Twin Cities are communities that love your company!!

We look forward to welcoming you,

Sincerely,

Rick Davis

Navigation Season & Operating Hours

The New York State Canal System typically operates from May 1 to November 15, weather permitting. Operation of Canal System segments is subject to the latest water and weather conditions. The hours of operation for locks and lift bridges are set in conjunction with Eastern Daylight Savings Time.

Canal System Statistics

Segment Mileage

Erie Canal - 338 miles

Champlain Canal - 60 miles

Oswego Canal - 24 miles

Cayuga-Seneca Canal - 12 miles (including Cayuga Lake to Ithaca and Seneca Lake to Watkins Glen and Montour Falls: approximately 90 miles.)

Total Mileage - 524 miles

Lock Dimensions - 328' long, 45' wide

(Area available for vessels: 300' long, 43.5' wide)

Navigational Aids

Navigational aids on the New York Canal System conform to the U.S. Coast guard lateral system of buoys (red right return). Note that the buoys reverse from red on starboard to red on port, north of Champlain Canal Lock 12 at Whitehall, and on the entire length of the Oswego Canal. Failures and displace-

ments of navigational aids may occur. Please report discrepancies in navigational aids to Canal staff.

Navigation Charts

The New York State Canal Corporation recommends that boaters carry the latest edition of navigation charts on board. Navigation charts for the New York State Canal System may be obtained through the National Oceanic and Atmospheric Administration - NOAA, Distribution Branch, N-CG33, Glendale, MD 20737, (301) 436-8301, and some local bookstores and marinas.

Customs

Masters of foreign flag vessels must report arrivals immediately to U.S. Customs at the first U.S. port of entry. Boaters entering Canadian waters must contact a reporting station at their first opportunity.

North Tonawanda

Welcome to our twin cities of Tonawanda and North Tonawanda, “The Western Gateway to the Erie Canal”. Located at the juncture of the Erie Canal and the Niagara River, the Tonawandas were home to countless workers who built the Erie Canal, as well as dock wallopers who worked in the 5 miles of lumber yards that once lined the banks of the Niagara River.

City of Tonawanda

The Tonawandas are a great community in which to live. We have excellent schools, health care, affordable housing of all styles, and extensive recreation opportunities. We offer a full range of city services, while retaining a small town, neighborly atmosphere. We are close to Buffalo and Niagara Falls, and just over an hour to Toronto, Canada.

Pane's Restaurant*

PANE'S RESTAURANT

A taste of Italy, A taste of America

Monday-Friday; Breakfast & Lunch 10am - 3pm • Full dinner menu available 3pm - 10pm
Saturday and Sunday; Breakfast & Lunch 9am - 3pm • Full dinner menu available 3pm - 10pm

Variety of Wines by the Glass and Bottle • Beers on Tap and by the Bottle • Specialty Cocktails

For over 50 years, Western New Yorkers have enjoyed the fine food, warm and friendly service and welcoming atmosphere at Pane's Restaurant in North Tonawanda.

Known for its delicious Italian food, Pane's menu offers many favorites as well as twists on traditional dishes.

Pane's homemade French Onion Soup is a delicious combination of Pane's signature ingredients blended with caramelized onions in a beef stock, topped with cheeses and melted to a golden brown. Diners often say that it's the best they've ever had.

Pane's has remained committed to high quality food and service for its guests, whether they order the delectable Homemade Lasagna, a Grilled Panini or one of the many other perfectly prepared delicious dishes.

Over the years, tempting new items have been added to the menu and the restaurant has expanded its space.

The cozy ambience of the dining room features the warmth of hardwoods and soft lighting – the perfect atmosphere for a dinner for two, as well as a gathering of family and freinds.

Pane's has two rooms for private functions, both beautifully decorated to enhance special occasions. One of the rooms accomodates 35 to 110 guests; the other for a more intimate gathering of 20 to 45 guests.

And for those who crave one of Pane's fine menu items but who are rushed for time, the restaurant has convenient carry-out and delivery service.

History of the Erie Canal

The Erie Canal: the incredible engineering feat that carved a water highway across New York State and forever changed the face of America. Completed in 1825, the canal connected the Atlantic Ocean with our nation's heartland. This had an immediate and

dramatic effect on the cost and ease of transportation. That, in turn, spurred industrial growth, immigration, population growth and westward migration. Communities, like the Tonawandas, developed rapidly along the Erie Canal.

By the turn of the century, the Tonawandas had become a bustling shipping center, handling almost one million board feet of lumber annually.

Today the excitement of a visit to the Tonawandas goes well beyond unlocking the Erie Canal's booming past. Today's Erie Canal in the Tonawandas is a historic waterway and a modern recreation way. You can sail it. You can fish it. You can cruise it. You can hike and bike and even waterbike it. The waterway that amazed the world almost two centuries ago, offers you endless opportunities for outdoor fun, adventure and enjoyment, today.
